CONCUSSION 101	REPORTING
INJURY MANAGEMENT	RETURN TO LEARN/WORK
PREPARATION STEPS	RETURN TO PLAY

The Concussion Breakdown is an online concussion education course created by Concussion Coach. It is designed for all stakeholders involved in the identification and management of a concussion including primary and post-primary school staff. The content includes - Concussion 101, Reporting Concussion, Concussion Management, Return to Learn/Work, and Return To Play, Individual Preparation Steps, followed by a post-course assessment. The course also includes continuous recap quizzes, downloadable content, and a post-course Certificate of Completion (after passing the assessment). It takes 75 minutes to complete and users can complete it in their own time and over multiple sessions.

DEADLINE DATE FOR COURSE REGISTRATIONS is Thursday, 1 October 2020 before 3.00 pm

Fee: €15 (discounted from €25)

Once registration deadline date has passed all registrants will be contacted with details for how to log on to the course.

Note: There is no set date on which you must start the course. However, once you commence the course, you must complete it within 30 days (the course content expires 30 days after you get started).
