

WEBINAR

20AUT48 – Using Google Classroom – Session 1

Would you like to be able to deliver all your lessons remotely to your students?

In this webinar, we will look at

- What is Gsuite for Education and how your school can apply for Gsuite for Education.
- How to set up a class in Google Classroom.
- How to add students to a Google Classroom.
- How to add a co-teacher to a Google Classroom.
- How to link parents to a student's profile in Google Classroom so that a parent can receive a weekly digest on the work that is being completed or missed.
- How to make an announcement and set up a discussion in the Stream
- How to make a self-correcting quiz/test assignment and assign it to your students.

Throughout the webinar we will toggle between the teacher and student views so that you can get an overview of both viewpoints.
