

WEBINAR

20AUT49 – Using Google Classroom – Session 2

Following on from Session 1 of Google Classroom in this webinar, we will look at:

- How to set up an assignment, whereby students can submit work - document, slides to their teacher for correction
- How a student can submit work to you for marking
- How to set up a rubric or marking scheme
- How to make comments on a student's work
- How to set up a bank of comments to make it easier to mark students work
- How to import the results of each assignment into a gradebook

Google Classroom

Throughout the webinar we will toggle between the teacher and student views so that you can get an overview of both viewpoints.
