

## WEBINAR

### 20AUT39 – Running a Successful Guided Reading session

This workshop will take participants on a journey to explore the many constrained and unconstrained skills that are involved in the complex reading process. The cueing systems will then be integral to analysing a sample lesson and noting the various ways that reading needs to be taught as opposed to being simply heard.

Participants will need plain paper and a pencil at the ready.

**Date:** Wednesday, 14 October 2020

**Time:** 5.00 – 6.30 pm

To book a place go to [www.dwec-courses.com](http://www.dwec-courses.com)
