

Spelling & Word Study

Wednesday, 18th November

7.00 - 8.00pm

In this Spelling and Word Study Webinar we will explore the key components of Spelling and some recommended approaches to teaching Spelling. We look at the integrated nature of Spelling with regard to Oral Language, Reading and Writing. In line with the Primary Language Curriculum 2019, playful and engaging learning experiences which may be useful when supporting children will be discussed. Is féidir na straitéisí seo ar fad a úsáid i litriúchán na Gaeilge agus pléifear é seo freisin. Finally, we will address the area of assessment and differentiation in Spelling instruction.

This webinar is a collaboration between the PDST and ESCI
