

Make a Difference for Struggling Readers!

Do you want to know more about how to use assessment to inform intervention?

Effective Interventions for Struggling Readers: Focus on Assessment

Presented by Ciara Hogan and Emma Mullock from NEPS

This webinar is aimed at Special Education Teachers in Primary and Post-Primary schools

Wednesday 10 February 2021, 12:30-1:30p.m.
Register through the Dublin West Education Centre

This session will focus on assessment and may be of particular interest those new to SEN teaching.

The session will explore:

- the purpose of literacy assessment
- the suite of literacy skills for assessment
- how to interpret information gained from tests

Effective Interventions for Struggling Readers is a NEPS publication, freely available on the DES/NEPS website.
